Training School for Advanced Permanent Make-up

*By Anri Theron CPCP (certified permanent cosmetic professional, USA)
Following the Standards and Guidelines of the SPCP*

Train for a Career in Permanent Make-up with Anri Theron CPCP

Earn as much as R1500 per hour

Why choose Derma Balance Training School for Advanced Permanent Make-up?

Anri Theron received her primary skin & Beauty & Permanent make-up Training at Sonette Beauty Academy in 2000. She received the highest standard in skincare & body work, the prestigious International **CIDESCO** and **SAAHSP** diploma. She did her primary Permanent Make-up Training in South-Africa. She did her advanced training in permanent make-up in the USA with well known **Pati Pavlik in South-California** and **Kyera Park in Atlanta, Georgia**.

Anri qualified as a CPCP certified permanent make-up Artist in the USA in 2006. She is proud to say that she was the 3rd South-African that qualified as a CPCP certified permanent make-up Artist, the CPCP qualifications is the highest qualifications in the permanent make-up industry in the United States.

Her experience gives us, and more importantly you, the leading edge over other training programs.....
